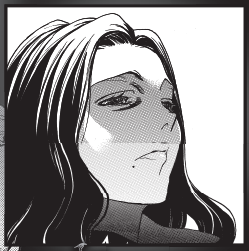
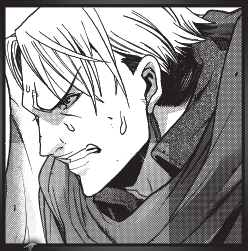
Kuklo

A boy born from a dead body packed into the vomit of a Titan, which earned him the moniker, "Titan's son." The wealthy Inocencio family bought him from a sideshow hut. His father was Heath Mansel, squad leader in the Survey Corps, and his mother was Elena, who helped bring a Titan inside the Wall. At the start of Volume 2, he is 15 years old.



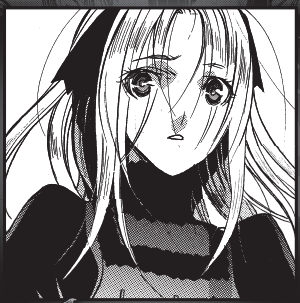
Elena

Kuklo's mother. Her husband Heath was killed by a Titan. When she saw his severed head, she went mad, and was drawn into a Titan-worshiping cult. Heavy with child, she led the cultists who opened the gate. When a Titan made its way inside, she was the first to be eaten.



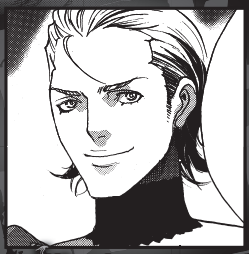
Carlo Pikale

Soldier in the Survey Corps. He was age 18 in the first chapter, having joined the same time as Heath, Kuklo's father. He discovered Elena's remains in the Titan's vomit, and witnessed Kuklo's birth. At the start of Volume 2, he is 33 years old.



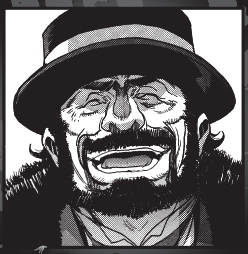
Sharle Inocencio

First daughter of the Inocencio family. She attempted to kill Kuklo after he was brought to the mansion, but became his only friend when she realized that he was human, not a monster. She decided to run away with Kuklo to avoid being forced into a strategic marriage. Like Kuklo, she is 15 at the start of Volume 2.



Xavi Inocencio

Sharle's brother, firstborn of the Inocencio children. His father Dario raised him to lead the military, and he will begin his training soon. He beat Kuklo nearly every day for two years, claiming to have "conquered the son of a Titan." This gave him an arrogant leader's air.



Dario Inocencio

One of the top merchants behind Wall Sheena, innermost of the walls. He has close ties to politicians, and hopes to arrange a marriage between Sharle and the son of Bruno Baumeister, a prominent conservative leader.

The Story So Far

Seventy years before the story of Eren, a Titan made it through Wall Maria for the first time. Amidst ingrained fear of the Titans, a small group of Titan worshipers took over the gate in Shiganshina District. Their leader was Elena, wife of a Survey Corps squad leader whose death at the hands of Titans drove her to madness. A single Titan made its way inside the gate, and its terrible onslaught left 5,000 people dead or missing.

Elena was the first victim of the Titan's rampage through Shiganshina. But when her body was discovered in the Titan's vomit, her child was miraculously still alive. This boy was named Kuklo, the "Titan's son," and treated as a sideshow freak. Thirteen years later, the wealthy merchant Dario Inocencio bought Kuklo to serve as a punching bag for his son, Xavi. Meanwhile, Xavi's sister Sharle, who was terrified of the Titans, felt a secret duty to purge their house of the so-called monster. But when she saw Kuklo, she realized that he was a human being like any other, and Sharle decided to teach him about the world and human language instead.

As he learned more and more from books and Sharle, Kuklo wanted to see a real Titan, to know whether he had truly been born of a Titan. To do that, he needed to escape the mansion and gain his freedom. So Kuklo put together a two-year escape plan. Meanwhile, when Sharle turned 15, the topic of her arranged marriage arose, a painful reminder that she was nothing but a tool to further her father's ambitions. The two decided to escape the Inocencio mansion together.

I JUST HAVE TO DO IT.

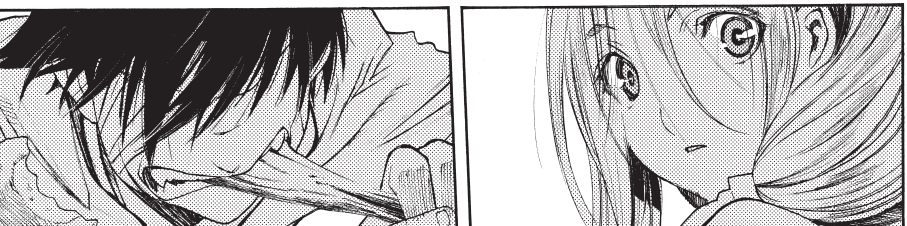
THEY SAY THE NEW COMMANDER OF THE SURVEY CORPS IS CARLO, SON OF THE HERO JORGE!
SINCE THE FALL OF THE CONSERVATIVE BAUMEISTER FAMILY, THE REFORMISTS HAVE BEEN ON THE OFFENSIVE.



HUMANITY WILL NEVER FALL TO THE TITANS!
